

Erratum for “Generalized norms of groups: retrospective review and current status”

Tetiana Lukashova and Marina Drushlyak

Communicated by L. Kurdachenko

In our previous paper [1], the term “torsion” was used instead of the correct term “non-periodic”. We would like to draw attention to this inaccuracy and provide the necessary corrections. The replacement should be made in the following places:

- p. 116: lines 11, 13, 14, 16, 30, and 32 from the top;
- p. 118: lines 12 and 33 from the top;
- p. 119: line 21 from the top;
- p. 120: lines 10 and 11 from the bottom;
- p. 122: lines 7, 9, 10, and 18 from the bottom;
- p. 123: line 1 from the top.
